Trustees Annual Report & Statement of Financial Activity

This Trustees' Annual Report contains references to numerous other documents. Text in [blue and underlined](#) incorporates a link to the document being referred to.

1 Charitable Activities

1.1. How small is "Small" ?

A constantly recurring issue which shapes the activities of Small Charity Support is that of "what, exactly, is a 'small' charity?"

"Small" – ie: "[little in size or amount when compared with what is typical or average](#)" – is often used as a diminutive "[... to suggest something or someone is not important](#)". Search the internet for "What is a 'Small' charity" and by far the most common answer is "those with an annual income of less than £1m". But the Register of Charities shows that the annual income of the "typical or average" charity (ie: the 25%-75% in the "middle income range") is between ca.£5K-£100K with the median a mere ca.£21K

That issue is reviewed in Small Charity Support's "[Charity Thought – How small is "Small"](#)".

Small Charity Support now pragmatically defines "small" charities as those which are:

"primarily run 'hands-on' by their un-paid non-accountant trustees and other volunteers in their spare time - usually with minimal or no paid professional administrative and/or financial support staff"

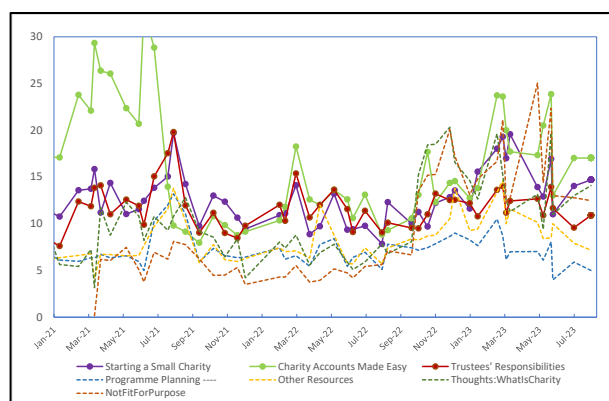

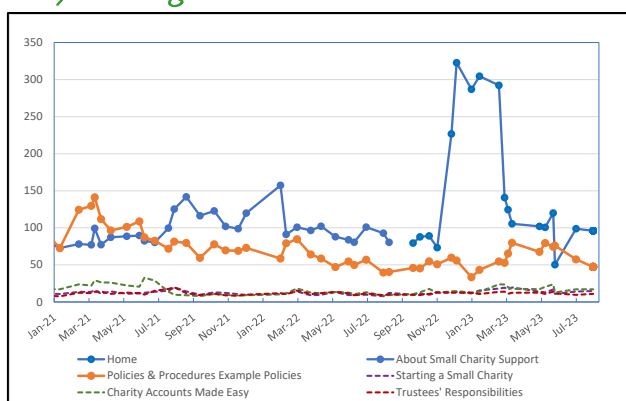

Such "small" charities typically have annual incomes less than £100,000. They are therefore able to opt to use the concession in the Charities Act which allows "lower income" charities (ie: the 85% with annual incomes less than £250,000) to produce their Annual Financial Report on a Receipts & Payments basis instead of the full FRS-102 & SORP (Accruals) standard (unless they are charitable companies).

A significant portion of Small Charity Support's activities during the year has been on upgrading its Accounts Spreadsheet for Small Charities and associated documentation to deliver analyses of the causes of the underlying issues in financial recording, reporting and management, along with pragmatic "Proof of Concept" solutions to those issues. (see website: <https://www.smallcharitysupport.uk/index.php/managingthemoney>)

1.2. Website

Small Charity Support's website – www.smallcharitysupport.uk – is its principal means of making its services known and available to its beneficiaries. Most of the requests for support come initially by e-mail as a result of beneficiaries finding the Small Charity Support website by searching the internet.

Daily "Landing" Rates

In Sept'22, a new "Home" page replaced the "About" page as the default point of entry to the website.

To avoid problems with personal data and UK-GDPR, Small Charity Support does not collect, analyse or use any form of personal data obtained from visitors to its website. Hence the website currently does not have the facility to monitor in detail what use visitors make of it (eg: what documents, if any, they download). The dramatic increase in the hit-rate to ca.300/day during Dec'22-Feb'23 is therefore unexplained – but subsequently fell back to the previous levels of ca.100/day.

Of the less frequently visited webpages, a number of the more popular ones – eg: Starting a Small Charity; Charity Accounts Made Easy – showed significant increases in landings during the second half of the year. It is hoped to be able to introduce more detailed monitoring of visitor activity in the future.

Accessibility

The website remains easy to find by searching the internet for relevant phrases.

eg: searching for phrases like “Support for small charities”, “Help for small charities” or “Charity policies” usually returns the Small Charity Support website high in, if not top of, of the list – and in the company of a limited number of other websites – eg: the NCVO, Charity Excellence and the (*long-since closed*) Small Charities Coalition.

Free-to-Download Information & Guidance Leaflets

A large proportion of the support to other charities is provided by a wide range of free-to-download-and-use leaflets, listed below, created primarily by Small Charity Support’s Lead Trustee.

The leaflets are organised by topic (*ie*: different pages on the website). Leaflets which also relate to other topics are indicated in italics. → indicates links to leaflets on other webpages/websites.

Charity Thoughts {Blogs}

The website has a page containing “[Charity Thoughts](#)” (ie: “Blogs” – discussion-papers) on a variety of charity-related issues. The issues currently covered are:

To Accrue... or Not to Accrue ?	Gift Aid – A Gift for the Wealthy ?
Chicken or Egg – Which Came First ?	Should Private School be Charities ?
18 Top Charities Pay Trustees	What is Charity ?
Financial Reporting Standards – Not Fit for Purpose ?	How Small is “Small” ?

Other Resources

Small Charity Support supports the view that charities should not compete with each other, but collaborate to ensure that their charitable resources are used **E**fficiently **E**ffectively & **E**conomically (and **E**thically, **E**quitably & **E**cologically).

Accordingly, its website has an “[Other Resources](#)” page which sign-posts enquiries to other charities which might be able to assist the enquirer better.

1.3. Accounting Issues for Small Charities

During the year Small Charity Support continued to do reviews of the financial reporting requirements and standards for the charity sector – and, in particular those for “smaller” charities. As a result of those reviews some of the Small Charity Support guidance was updated to meet more effectively the needs of the typical non-accountant volunteer trustees of “small” charities.

1.3.1. Between the Devil and the Deep Blue Sea

Unfortunately, far from dealing with the issues encountered by “small charities” when trying to meet their statutory obligations to produce their Annual Financial Reports, the option to use the Receipts & Payments procedures rather than the full Accruals (ie: FRS-102 & SORP) procedures, can create as many dilemmas as it ostensibly solves for “small” charities.

This is not a new problem. Nor is it just an idiosyncratic opinion of Small Charity support. The “Smaller Charities and Independent Examiners” Engagement Strand of the 2020 SORP, the Charity Commission and the Charity Finance Group all seem to be of the same opinion (see the Small Charity Support article “[Not Fit for Purpose](#)”).

Accordingly, Small Charity Support has significantly revised and enhanced its guidance leaflet on “[Preparing the Annual Accounts](#)”, which can be found on the “[Managing the Money](#)” page of its website.

1.4. Governance & Management Support

Requests for support mostly come as e-mails from trustees of “small” charities who have found the Small Charity Support internet website.

The requests for support covered a wide range of issues at a wide range of levels:

Simple operational issues:

This type of enquiry was small in number could usually be dealt with fairly quickly by an e-mail response taking from up to 30mins to prepare and send.

More difficult personality or management issues:

This type of enquiry constituted the majority of the requests for support and took longer to deal with. Responding to such enquiries typically involved an exchange of multiple e-mails, and sometimes (more frequently as a consequence of the Covid pandemic) telephone or on-line (eg: Zoom) virtual meetings. A significant feature (*often called USP – Unique Selling Point/Proposition – in the commercial sector*) of Small Charity Support’s activities is that it is able to engage with a beneficiary for a longer period of time than is

usual for conventional help-lines. At this level of enquiry, Small Charity Support's typical engagement time with one beneficiary is 1-5hrs, usually in a series of shorter e-mail/telephone/Zoom exchanges spread over 2-4 weeks.

Significant governance and/or management issues:

This type of enquiry – requesting help dealing with culpable, potentially illegal, misuse of their position by a trustee, or trustees, or senior employee (eg: CEO) – is rare. Small Charity Support was asked for such support on just 1 occasions in the last year.

Responding to such requests can be very demanding, requiring a substantial contribution of time by the Principal Trustee. In responding to such requests for support, the trustees are mindful that the role of Small Charity Support is NOT one of investigator or prosecutor. Collecting and preserving relevant information/facts to pass on to the appropriate regulatory body is useful. But the primary responsibility of Small Charity Support is to assist those who have sought its help to pull the governance and management of their charity back into good order.

Requests for Help with Registering a New Charity

As a long-standing matter of policy, Small Charity Support does not provide a “register your charity for you” service. We believe that trustees who are capable of running a charity appropriately should also be capable – with a bit of “hand-holding” – to negotiate some of the less obvious pitfalls in the rather bureaucratically tedious process themselves.

Inevitably, some of the requests for help with registration were ill-conceived from the outset and Small Charity Support was unable to contribute effectively.

However, about two thirds of requests came from people who had already submitted an initial application to register a charity and had it returned by the Charity Commission assessor with some queries, challenges and requests for clarification.

This is normal, rather than an indication of serious short-comings in the application – not least because it is entirely legitimate for the Charity Commission to request further information as a way of ensuring that the application is genuine and well thought out.

In most of those cases, Small Charity Support was able to help the applicant respond to those challenges resulting in a successful registration.

Supporting trustees with their responses to challenges from the Charity Commission typically involves 2-6 hrs of guidance spread over 2-4 months

Referrals from Other Umbrella Organisations

During the year Small Charity Support continued to contribute to the work of the FSI (Foundation for Social Improvement) by accepting referrals from its HelpLine and by participating in its Big Advice Days.

However, following the closure of the Small Charities Coalition in March 2022 and the FSI in May 2023 their HelpLines, were merged into a single service managed by the NCVO. At the time of this Annual Report, there are no plans for the NCVO to refer any of its HelpLine enquires to Small Charity Support.

1.5. Independent Examination of Charity Accounts

The Principal Trustee is registered as an Affiliate of the Association of Charity Independent Examiners.

During the year he has carried out the Independent Examination for the Judith Trust, Kehillah North London and the Worcester Street Cafe.

However, Small Charity Support does NOT offer Independent Examination of charity accounts as an on-request service unrelated to any other provision of governance & management support. Instead, Independent Examinations are undertaken from time-to-time to ensure that Small Charity Support has practical, pragmatic, hands-on experience in understanding the difficulties and challenges experienced by “ordinary” charity Trustees trying to understand and implement properly the Charity Commission's guidance and requirements for small charity accounts. That practical experience is then used to try to ensure that all Small Charity Support guidance materials are written to help the trustees of small charities overcome those difficulties and challenges.

1.6. Legal Issues

1.6.1. Legal Disclaimer

Most of Small Charity Support's guidance leaflets and other materials now contain a legal disclaimer. Small Charity Support is most grateful to LawWorks for its help and support in this matter.

1.6.2. Professional Indemnity Insurance

Small Charity Support now has Professional Indemnity Insurance. General liabilities are covered by the Ansvar Insurance company; liabilities arising from the Independent Examination of small charity accounts are covered by the ACIE's members' insurance.

Small Charity Support is most grateful to the Wakeham Trust for its generosity and support in providing funding to cover the insurance premiums.

1.6.3. EU General Data Protection Regulation (GDPR)

Small Charity Support has implemented what it believes to be appropriate and proportionate Policies, Procedures and Privacy Notices commensurate with: (a) the small quantity of personal data that it holds; (b) the severity of the impact in the event of any data breaches; and (c) the non-intrusive purposes for which it holds, processes and uses the data.

Small Charity Support collects, holds and processes only those limited data items (typically name, e-mail address and, occasionally, telephone number) provided by its beneficiaries which are required for the effective provision of the support requested by its beneficiaries (*ie*: Legitimate Interest).

Small Charity Support does not use such personal data for any other purpose – specifically it does not hold personal data for any form of marketing, promotion or sharing with other organisations.

1.7. Impact of the Covid-19 Virus Pandemic

Prior to the Covid-19 pandemic, most of the charitable activities carried out by Small Charity Support were already normally done remotely, *eg*: by telephone, e-mail or over the internet. So the impact of the Covid-19 pandemic on Small Charity Support's charitable activities was modest – if anything a small increase in its activities as more small charities were seeking help in difficult times.

2 Achievements & Performance

For reasons of confidentiality, the individual detail of Small Charity Support's involvement with its beneficiary organisations is not disclosed in a public document.

2.1. How the Public Have Benefitted.

As set out in its charitable objects, Small Charity Support delivers public benefit indirectly through the management, governance and other support that it provides to other small charities.

Supporting small charities to identify and overcome the challenges that they encounter empowers them to make more efficient and effective use of the resources – money, time, goodwill and gifts “in kind” – donated by the public for the public benefit.

Enabling the trustees of small charities to identify difficulties and avoid them reduces the burden on other public services when such difficulties get out of control and require public intervention.

Small Charity Support informally monitors feedback from its beneficiaries (see the Comments in section 7) and comments are reported on the website.

2.2. Contributing to Activities Run by Other Organisations

The Covid pandemic has meant that during the year there have been few “in-person” conferences and Annual General Meetings to which Small Charity Support has been able to contribute to. It has, however, participated in such events on-line where appropriate.

2.2.1. Foundation for Social Improvement (FSI)

Small Charity Support contributed five 1-hr sessions to the FSI's Quarterly Big Advice Days in November 2022 and March 2023. Unfortunately the closure of the FSI in May 2023 means that those Big Advice Days are no longer held.

2.2.2. Association of Charity Independent Examiners (ACIE)

In September 2020 the Principal Trustee delivered a 1-hr webinar on "Accounting Issues for Small Charities" in which he reviewed the most common issues in financial management and reporting being brought to Small Charity Support for support. This included the issue of inappropriate financial reporting procedures and Small Charity Support's "Charity Accounts Made Easy" spreadsheet as "proof of concept" of how those issues could be addressed.

2.2.3. Charity Finance Group – Small Charities Facilitator

In January 2022 Small Charity Support's Principal Trustee had been invited, and agreed, to accept the role of Small Charities Facilitator for the Charities Finance Group. Unfortunately, for operational reasons, it was not possible for that role to be activated.

2.3. Trustee Development

Trustees are encouraged to participate in development opportunities as and when appropriate.

During the Financial Year the Principal Trustee participated in workshops and networking events (most, but not all, on-line) with: the ACIE, NCVO, Connection Coalition, Charity Connect, Association of Chairs, Charity Finance Group.

3 Financial Review

3.1. Policy on Reserves

The Charity's policy on reserves is to generate and maintain a level of financial resources which is sufficient:

- a) to discharge fully its legal and moral financial commitments as, or before, they become due;
- b) to preserve the financial viability of the Charity in the event that unforeseen and/or unavoidable circumstance precipitate a short-term fall in its income and/or increase in its expenditure;
- c) to enable the Charity, in the interests of meeting its objectives, to undertake from time to time the setting up of new and innovative projects on a pilot basis to demonstrate the viability and potential benefits of such activities as a precursor to securing the external funding necessary to maintain such projects on an on-going basis.

For those purposes the Charity will:

- d) periodically review the financial resources ("reserves") it is holding under the **5-Cs** headings:
Commitment; **C**ash-flow; **C**ontingency; **C**onservation; **C**losure
- e) create a pragmatic annual budget to enable it to manage its financial (and other) resources **E**fficiently, **E**ffectively & **E**conomically (the **3-Es** of being **business-like** and delivering "**value for money**") – to which **E**thical, **E**cological and **E**nvironmental criteria will also be included as appropriate;
- f) monitor actual financial performance against budget on a regular basis (*ie*: at trustees' meetings) and take appropriate action in the event of material differences between actual and budgeted performance occurring;
- g) not enter into financial (or other resource) commitments for which the necessary funding is not assured;
- h) not solicit additional donations or funding where doing so would create an unbudgeted surplus of income over expenditure.

At the time of this report Small Charity Support had unrestricted cash assets significantly in excess of its liabilities, budget and contingency requirements. The trustees are therefore giving due consideration to how those additional resources can best be used (*ie*: **C**onserved) to enhance and/or expand its services to its beneficiaries in accordance with its charitable objects for the public benefit.

3.2. Details of Any Funds Materially in Deficit

The Charity has no funds which are materially in deficit.

3.3. Principal Sources of Funding and Outgoings

3.3.1. Funding

Small Charity Support's principal source of funds is a generous grant from the Wakeham Trust to cover the costs of Professional Indemnity Insurance and other related insurance (see section 1.6.2).

Small Charity Support occasionally receives unsolicited donations from supporter and charities to which it has provided support.

Note: Small Charity Support does not make any charge or professional fees for the consultancy and support services that it provides to recipient charities, not-for-profit organisations or social entrepreneurs.

Beneficiaries are invited to reimburse identified out-of-pocket expenses (*eg*: travel, stationery, postage) and, where appropriate, to make a voluntary donation to Small Charity Support's funds in recognition of the services received. However, where a charity, organisation or individual beneficiary is unable to contribute to the cost of Small Charity Support's involvement, any out-of-pocket expenses incurred are met from Small Charity Support's own resources.

Gift Aid is reclaimed on donations where the donor indicates that is their wish.

In accordance with its [Policy on Reserves](#), Small Charity Support has not solicited donations or engaged in any fundraising activities in the current year to 30 June 2023.

3.3.2. Outgoings

Small Charity Support's principal outgoings are on:

£: insurance premiums; £: participation in networking activities; £: participation in Continuing Professional Development activities; £: internet services; £: printing of guidance and related materials; £: transport costs.

As the Principal Trustee works from home, Small Charity Support has minimal administrative outgoings and no accommodation expenses.

3.3.3. Restricted and Endowment Funds

Small Charity Support has a restricted grant from the Wakeham Trust to cover the costs of Professional Indemnity Insurance. However, the trustees of the Wakeham Trust have generously agreed that any funds not required for their restricted purposes can be converted to and used as General Funds

Small Charity Support has no Endowment Funds.

3.4. Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees in promoting the purposes of the Charity are reimbursed at cost (where claimed).

3.5. Financial Status

Though modest, Small Charity Support's current resources from unrestricted donations are more than sufficient to meet its outgoings for at least next year.

All the indications are that this will remain the case for the foreseeable future.

3.6. Statutory Statements on Liabilities

The Trustees declare that:

- ✓ The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement (*eg*: any outstanding/ongoing contract or legal undertaking to buy or provide specific services);
- ✓ The charity has no debt outstanding at the date of this statement which is owed by the CIO and which is secured by an express charge on any assets of the CIO (*eg*: a mortgage on property owned by the charity).

6.3. Notes to the Accounts

a) **Accounting Policies**

The financial statements have been prepared in accordance with the Charities Act 2011 Section 133, using the Receipts and Payments basis available to small charities and the charity's own Simple Accounts Spreadsheet.

b) **Reimbursement of Out-of-Pocket Expenses**

Where out-of-pocket expenses incurred in the course of a project are reimbursed by the beneficiary organisation the expenses claim is made by the Principal Trustee directly to the beneficiary. The expenses thus incurred and reimbursed by the beneficiary organisation are recorded in the charity's accounts as an internal contra between the relevant nominal accounts but the amount does not pass through the charity's bank account.

Out-of-pocket expenses incurred by the Principal Trustee which are not reimbursed by a beneficiary charity/organisation are reimbursed from Small Charity Support funds in accordance with the prevailing Financial Policies & Procedures.

The Principal Trustee received no reimbursement for out-of-pocket expenses in the financial year.

c) **Salaries & Professional Fees**

Small Charity Support does not charge any professional fees for the consultancy and support services that it provides to beneficiary charities/organisations.

No trustee receives any payments for the services they provide to the charity.

In the current financial year the charity employed no staff or external contractors;

d) **Fixed Assets**

The charity has not purchased or disposed of any fixed assets in the current financial year;

e) **Money owed by or to the Charity**

All monies owed by or to the charity at the end of financial year but not appearing in the end of financial year bank statement(s) or cash account(s) are reported as outstanding creditors or debtors respectively.

The stated liabilities include outstanding payments for internet hosting services and other miscellaneous costs, and 7 outstanding monthly payments for the annual Professional Indemnity Insurance cover.

f) **Rounding Discrepancies**

All amounts are recorded to the penny, but in these accounts are shown as digitally rounded to the nearest pound. This can occasionally result in a total apparently not being the sum of its constituent amounts. All individual amounts, and their totals, are nevertheless correct.
